

## 2017 POOL LINER PATTERNS

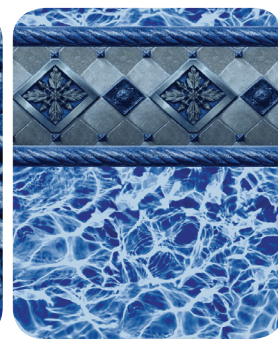

### QUALITY ABOVE GROUND POOL LINERS

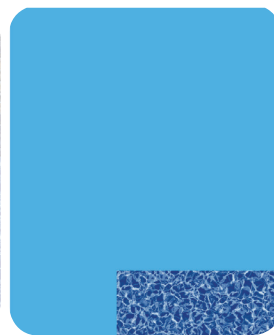

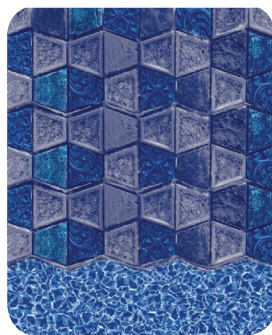

For over 45 years, Pen Fab has been making the highest quality liners for swimming pools. Unlike commodity pool liners, we don't play games defining the thickness of our above ground liner material. The weight of our pool liners are proof that we make a heavy duty above ground liner that is built to last.

*We stand behind our liners with a 25 Year Limited Warranty.*

If you are looking for an above ground liner that looks better and will last longer, choose a Pen Fab liner and experience the difference.

<b>TILE</b>	CRYSTAL POND	SAND BAR	COUNTRY STONE	GRAY STONE
<b>FLOOR</b>	CRYSTAL POND	ICE BLUE	BLUE DIFFUSION	BLUE DIFFUSION
<b>STYLE</b>	BEADED ONLY	BEADED ONLY	OVERLAP or BEADED	BEADED ONLY
<b>THICKNESS(MIL)*</b>	16/16 OR 20/16	16/16 OR 20/16	16/16	16/16 or 20/16

<b>TILE</b>	HAMPTON	COVINGTON TAN	PLAIN BLUE
<b>FLOOR</b>	WATER	WATER	PLAIN BLUE or WATER
<b>STYLE</b>	OVERLAP or BEADED	BEADED ONLY	OVERLAP or BEADED
<b>THICKNESS(MIL)*</b>	16/16 or 20/16	16/16 or 20/16	16/16

\*True mil thickness throughout

## Why Choose a Pen Fab Above Ground Pool Liner?

Not all above ground pool liners are the same and the price generally reflects the quality of the pool liner. But outside of price, the best way to determine the quality of an above ground pool liner is to consider and compare the weight of liners. Above ground liners made from thicker material weigh more.

**Prove it to yourself:**

ABOVE GROUND LINER SIZE	«THEIR» POOL LINER WEIGHT	«OUR» PEN FAB POOL LINER WEIGHT
18 ft Round Pool Liner - 16 Mil	52 lbs	60 lbs
24 ft Round Pool Liner - 16 Mil	83 lbs	92 lbs
15 ft x 30 ft Oval Pool Liner - 16 Mil	77 lbs	87 lbs

## Heavier pool liners are thicker & last longer

It's a fact that heavier above ground liners are simply thicker and will last longer.

- **Better wear & tear:** When pool liners are thicker, they have better resistance to tears, rips, punctures and holes caused by objects in soil, on clothing, windblown objects, lawn care debris and entry systems like ladders and steps.
- **Lower Annual cost:** When you consider the price tag of a new pool liner, consider the annual cost of the liner—or when you will have to replace the liner again. Less expensive liners might only last a few seasons while a higher quality liner will last 2-3 times longer. If you think of the annual cost of your pool liner, you might actually be paying double the price because you will have to replace the liner twice as often. **Buy a higher quality liner now & enjoy your pool longer!**

### Multi-Use Bead accommodates any pool type

Use as a standard Beaded Liner

Use as a standard J-Bead Liner

If bead receiver is too large, just peel off vinyl wedge lock and insert behind liner bead to secure bead

### Above Ground Liner Bead Options

**Thicker material options:** Both 16 mil and 20 mil wall options available  
**25 Year Limited Warranty:** Our liners simply last longer
