# RETIREMENTS

## John Rozanski

Congratulations to John on his recent retirement. John was a former Co-owner, actually born into the company. For over 40 years he has worked in every phase of our operation including warehouse, construction, swimming pool service, sales and management. For the last 15 years John served as our spa department manager. Thank you, John, for your 40 years of service.

## Donald Bell

After 45 years with Crystal Pools, Inc., Don, our general manager, retired in January of this year. Don started with us in our accounting department, later was named our office manager, before becoming our general manager, a position he held for 36 years. Congratulations Don, and thank you for your 45 years of service.

## Donald Bricker

Don served as our lead swimming pool service technician during his employment with Crystal Pools. He serviced both in-ground and above ground pools, and there honestly was not a service issue that he could not handle. Don was employed by Crystal Pools for 43 years, retiring in 2020. Congratulations Don and thank you for your 43 years of service.

## Wayne Morris

After 52 years of service, Wayne retired in 2020. Wayne served in all phases of construction within our company, from in-ground installation, to swimming pool service, and most recently as our parts manager. Wayne was also our in-house service technician, repairing pumps, filters, and automatic cleaners when customers brought them into our locations for repair. We have said many times that if Wayne cannot fix it, it cannot be repaired. Congratulations Wayne, and thank you for your 52 years of service.

## Garry Foreman

Garry started his employment with Crystal Pools in 1974. During that time, he served on various in-ground installation positions before becoming our in-ground backfill crew foreman, and later became a construction superintendent and senior member of our in-ground excavation crew. Congratulations and thank you for your 46 years of service.

Please join us in congratulating our retirees as they enter into the next phase of their lives.

## 25 YEARS OF SERVICE

## Steve Skishalley

Steve is one of our inground swimming pool crew leaders. Steve is responsible for an entire crew and the full installation of the steel wall construction, plumbing, and bottom/liner installation. Steve also assists on our concrete deck crew. Congratulations Steve.

## IN MEMORIAM

## Troy Schwanger

It is with sadness that we announce the passing of Troy Schwanger. Troy was a member of our above ground installation crew for seventeen years, until his retirement in 2017. Troy was a gentle caring man who would have done anything for anyone. May his soul Rest in Peace.

# EMPLOYEE SPOTLIGHT

Ian Simaska, a 15-year Crystal Pools employee and our senior spa technician, recently completed and passed the 2021 Jacuzzi Hot Tub Recertification Exam. Ian's recertification keeps him current on various troubleshooting and service-related matters within the ever-evolving spa industry. When Ian is not repairing spas, he enjoys working on cars and spending time with his daughter. Congratulations Ian on your achievement!!

# NEWS FROM CRYSTAL POOLS!

## NOW HIRING!

## NOW HIRING

- We are currently hiring at all three of our locations!
- For more information, check out our website or give us a call!

### SAFETY CHECKLIST FOR HANDLING & STORAGE OF POOL CHEMICALS

- Store all chemicals in a cool, dry, well-ventilated area.
- Keep containers upright and tightly closed. Always re-close after using.
- NEVER mix unlike chemicals together and segregate them when storing to prevent interaction.
- NEVER mix chemicals in the house, shed, or garage. ALWAYS mix chemicals outside or near the pool.
- Keep away from combustible materials and avoid contamination with any foreign matter.
- Follow good housekeeping. Clean up spilled material promptly.
- Never return spilled material to the original container, dispose by flushing with water.
- Keep chemicals away from open flames. DO NOT smoke in storage areas or while handling chemicals.
- Read all labels carefully.
- NEVER add water to chemicals, add chemicals to water when mixing.
- Rinse out empty containers with water, and then dispose.

### DON'T FORGET TO SHOCK!

Loop-Loc customers – Don't forget to shock! It's that time of year if you want to ensure a clear pool! Warmer weather, sun and spring showers bring algae. So now is the time to start shocking your pool with chlorine to help prevent the growth of this algae.

Crystal Pool customers that have the service department open their swimming pool, return trips due to large amounts of algae in your pool water will require additional charges.

## UNPRECEDENTED TIMES

THE POOL AND HOT TUB INDUSTRY, AS WITH MANY OTHER INDUSTRIES, HAS BEEN IMPACTED BY COVID-19.

FIRST, IN THE OVERWHELMING NUMBER OF POOLS AND HOT TUBS SOLD WORLDWIDE AND THE LIMITED WORKFORCE AVAILABLE TO PRODUCE THE COMPONENTS. THIS IS RESULTING IN EXTENDED MANUFACTURING TIMES.

MORE RECENTLY, WE ARE SEEING THE BACKORDER OF SOME REPLACEMENT PARTS AND PRODUCTS.

WE THANK YOU AND APPRECIATE YOUR PATIENCE AS WE WORK THROUGH THESE DIFFICULT TIMES.
